

Flock-a-Friend Fundraiser

BLUE DEVIL FLOCKING SEASON IS HERE!

We have confirmed reports that flocks of Blue Devil Flamingos will soon be landing on the lawns of unsuspecting area residents. These plastic blue flamingos travel in flocks, and they love getting the chance to rest in beautiful yards in Wilson County, TN (Travel Fees may apply). Now, for the first time ever, the LHS Marching Band have made arrangements with these flamingos to have them stop in a yard near you!

If the flock is in your yard, someone thought you'd like to participate in supporting The LHS Band. They may have told the committee anonymously, or they may have made themselves known (check the paper left around the flamingo's neck for more info).

Here is your chance to play a good old-fashioned prank on your unsuspecting friends and family and help out the LHS Marching Band at the same time. It's a Win-Win!

How to Flock-A-Friend?

- Do I have to pay to have the flock removed? This is a fundraiser, so we certainly hope you would choose to participate, but our volunteers will pick up the birds regardless. We hope you will enjoy having the flock and maybe even want to Flock-A-Friend too! You will find an order form in your packet.

****Please remember, the birds are moved by volunteers and they work as quickly as possible****
